

SERVANT KEEPER for your Finance Team

All Your Donors & Contributions in One Place

Eliminate Repetitive Entry

Designed to save time by streamlining entry of checks, cash, pledges, in-kind gifts and online giving.

Accountability and Security

Built-in features track changes made to your financial information. Security settings keep data confidential while still being accessible to helpers.

Timely Communication

Easily send statements and impact letters to your donors regarding gifts and pledges.

Tools for Managing Donors and Contributions

Contributions

Track the money coming into your ministry.

Pledges and Payments

Manage pledges and payments made to unlimited accounts.

Batches

Track your contributions by worship service or event. Enter contributions in batches. Edit and post your batch information.

Accounts

Create an unlimited number of accounts. You can even split a single contribution up among different accounts, allowing your members to designate specific portion of their contribution to different areas of your ministry.

Tools for Faster Entry

- Servant Keeper helps you enter your contributions more quickly.
- Enter by name or envelope number.
 - Memorize transactions for people who tithe the same percent every week to the same accounts.
 - Use the cash verification tool to enter loose plate offering by count.

Pledges

Help your church reach its financial goals. Set up an unlimited number of pledge accounts for both individual and family pledges. Easily see your goals, amounts pledged, amount received, amount left to reach your goal and more.

Payments

Manage money received as payments for special events, mission trips, retreats, child care, building rental and more. Keep track of payments from families, individuals, and organizations.

"...I also use the contribution module and have found that to be user-friendly as well. It works so well for me, the pastors, and this church, that 3 other churches have purchased it based on our experiences and recommendation..."

Nancy Walters - Pitman United Methodist Church

e-Giving

Provide Your Donors with More Ways to Give

Increase Giving Options

Allow your donors to contribute in the way that is easiest for them. Online giving to receive funds through your website.

- Text to give to encourage giving to special funds.
- Kiosks for services, events, and payments.

Because Servant Keeper integrates with Vanco and most other major e-Giving providers, you can easily import all your electronic contributions into your regular contribution tracking.

Keep Your Favorite Accounting Software

The ease of Servant Keeper and the power of your accounting software — no double entry.

Servant Keeper Integrates with Major Accounting Software

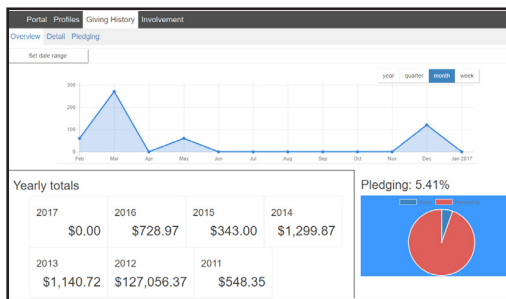

Easily send batch totals to any major accounting software using the built-in tools in Servant Keeper. You have the ease of entering donations and doing statements in Servant Keeper on top of the power of the accounting features in programs like QuickBooks, with no double entry.

Online Member Profiles

A Powerful Tool for Your Donors

With Servant PC Cloud, you can let your members access their giving and pledge history at any time. With password-secured online member profiles, your donors can even see charts and graphs to help them get a better idea of their giving over time.

Account name	Received	Remaining	Pledged	Percent received

Communication

Increase Giving with Increased Communication

Send Personalized Contribution Emails and Statements

Encourage more joyful giving. Keep your donors informed about their contributions and how their funds are making a difference. Make sending end-of-year statements simple.

- Create detailed contribution statements, summaries and receipts.
- Merge donor information into email and letter templates you can save and reuse.

- Create pledge updates. Show donors how many payments they've made, how much they have to pay towards their pledge, when they made their last payment and more.
- Save time and paper by allowing donors to choose to receive statements via email.

Reports and Research

View and professionally present your church's financials.

Keep an Eye on Your Ministry's Financial Health With Professional Report Templates You Can Edit, or Create Your Own From Scratch.

Servant Keeper gives you over 50 contribution report and statement templates. With the push of a button, you can easily pull your information into reports for presenting to the church, or statements to send to individual donors. See account activity and statistics in seconds. Plus, you can edit the reports, build your own, or download a shared report from other Servant Keeper users.
