

GROW PARTICIPATION | ELIMINATE FRUSTRATION | CUT COSTS

YOU HAVE VOLUNTEERS... NOW YOU CAN GET THEM SCHEDULED!

Leverage technology and the web to schedule volunteers effectively.

With Ministry Scheduler Pro and Servant Keeper working together, you can automatically create fair schedules that honor all volunteers' requests. You will greatly minimize data entry by synching with Servant Keeper® and collecting volunteers' availability online. Best of all you will easily cope with last minute changes by allowing volunteers to find subs online.

Foster a team mentality by scheduling volunteers in a consistent rotation. MSP helps prevent no-shows by sending volunteers personalized schedules and email (or SMS) reminders. As a result you will engage volunteers and save them time with an online system to find subs.
